COBA Disinfectant Mat Scrapes and sanitises footwear in one go

- The resilient vinyl loops scrape dirt off shoes, while the disinfectant solution cleans and sanitises.
- The mat features a non-slip vinyl backing and durable, ramped edging.
- Soft, compounded PVC looped surface scrubs, dislodges and traps dirt as traffic passes through.
- Ideal for any workplace where hygiene is important e.g. healthcare, food manufacturing, catering, hospitality, clean rooms or food retail.
- Material is REACH Compliant.
- Loose lay on level surface, no installation necessary.
- Fill base with liquid disinfectant.
- Combine with an absorbent mat to dry footwear when stepping out. We recommend COBAwash®, Wash & Clean, Microfibre Doormat or the Social Distancing Floor Mat.
- Product Height: 15 mm.
