

Social Distancing Scatter Mats for Schools

Safari themed scatter mats for the classroom

- Help children maintain social distancing quickly and easily during reading time, assemblies or whilst cueing.
- A cost effective and durable way to place children in a classroom, which will prove useful even after Covid-19.
- Mats can be relocated and washed unlike floor stickers.
- Ideal for nurseries, playgroups and primary schools.
- Provided in packs of 8 unique animal mat designs.
- Printed digitally for a bright and clear appearance that enhances the classroom.
- Low profile borders to reduce the risk of trips.
- Machine washable at 30°C.
- Product Height: 6 mm.
