# AutoFoam

The TC AutoFoam redefines automatic soap dispensing, combining the highest quality foam soap with an attractive touch-free dispenser to deliver superior cost savings and reduced environmental impact.

### Encourages Healthy Hand Washing

- Touch-free delivery eliminates cross contamination to help reduce the spread of germs
- Convenient automatic dispensing ensures delivery of the right amount every time

### Saves Money and Reduces Labour

- More hand washes per refill reduce labour and soap costs
- Reliable, controlled dispensing of concentrated soaps eliminates over-use and costly waste
- Large capacity refill delivers 0.4ml per dose for up to 2,750 hand washes

**5x more** | **38% more**  
than traditional bag-in-box soap | than other foam systems

**User-Friendly System**  
Visual and audio cues to indicate low soap level and low battery life

**Hygienically Sealed Keeps Soap Fresh**
