

Bakkie Mats

Hardwearing mats made from recycled tyres

- Durable and slide resistant.
- Flexible and double up as sand tracks when your wheels get stuck.
- Manufactured from recycled tyres.
- Protect your bakkie against scratches and dents.
- Aerated designs prevent water build-up, so no rust.
- Absorbs any heavy loads and spreads the weight evenly.
- Mats stay put when you unload.

For pricing enquiries and orders, we need your vehicle's make (Ford, Toyota etc), the year model and your cab size (Double, Single etc).

Technical Specification

Material:	Rubber, Elastomer/Polyester
