VENUS

"I've had three lovers in the past four years, and they all ran a distant second to a good book and a warm bath"

Dorothy Boyd in Jerry Maguire

Designed for a palace in the most majestic surroundings. Featuring six 90 litre per minute Summer Place Centre Air Jets, as well as ten Shiatsu Micro Jets and powered by two independent self-draining motors and pumps. The Venus jets are positioned for the maximum hydro massage ever incorporated into a twin corner bath. The controls are fitted for ease of use with dual silent air controls. The largest bath in the Summer Place range accommodates two adult users comfortably.
