Altra Fold Track Hardware

Application

Designed to suit aluminium folding louvred panels, with all panels of equal width.

Panels can fold to one or both sides of the opening.

Pivot hardware enables folding exterior screen to be designed using equal width panels with no cutting down of the panel adjacent to post.

All stainless steel hardware components are concealed within the aluminium door stile.

Door Specification

Track System:

Max Panel Height	2850mm
Max Panel Weight	25kg
Max Panel Width	900mm
Panel Thickness	30mm
Max Number of panels	5 each direction
