

Trusted Products. Strong Partnerships

PRODUCT CATALOGUE

At Chisel and Spout, we've been dedicated to delivering high-quality plumbing and sanitaryware solutions for more than 30 years.

What began as a simple vision has grown into a trusted company known for reliability, integrity, and exceptional service. With decades of expertise, our team understands the evolving needs of the industry. We carefully source products that meet, and often exceed, industry standards, ensuring every solution is durable, functional, and built to last. Our long-standing partnerships with manufacturers and suppliers allow us to offer a diverse product range that suits different projects and budgets. These relationships also keep us at the forefront of industry trends, so we can bring innovative solutions to our clients.

Above all, we believe our success comes from the trust of our customers. That's why we value open communication, collaboration, and tailored support, making sure every project gets the attention it deserves. As we look ahead, we remain committed to the same values that have guided us for over three decades: quality, service, and customer satisfaction.

At Chisel and Spout, your project is our priority.

810-1387

- Number of stations: 1, 2, 4, or 6
- Battery-operated controller for automatic irrigation without AC power
- Battery-life indicator for battery replacement
- Waterproof enclosure seal protects against water ingress
- 3 flexible programmes with 4 start times each and up to 6-hour run times
- Suspend irrigation up to 99 day during the off-season
- East Retrieve™ memory backs up the full irrigation schedule if ever changed
- Delay between stations for slow-closing valves or pump recharge
- Seasonal adjustments for quicker schedule adjustments without changing run times
- Solar panel provides maintenance free operation
- Mounts to Hunter® solenoids, pipes, flat surfaces, or inside the valve box

Precautions for maintenance:

1. Only use Soap or neutral detergents. Apply with a soft cloth or a sponge with fine nylon. Rinse with a lot of water and dry with soft cloth. Never use steel wool, glues, paints, cement or abrasive acids as it will tarnish the surface of the sink.
2. Beware of sharp edges when installing.
3. 15 year manufacturing guarantee on sinks, if the above precautions are followed strictly.

* Including waste and seal kit.

** Excluding waste and seal kit.

90 mm waste and 40 mm waste only.
