

Fatigue Lock

Premium mid-size interlocking anti-fatigue tile

- This extra thick tile provides comfort and fatigue relief for standing workers.
- Precision designed tiles seamlessly clip together for smooth raised floor surface.
- Convenient tile size allows for easy planning.
- Can be used to cover large or unusually shaped workstations.
- Made from rubber for durability, slip, and impact resistance.
- Tile option with holes is ideal for wet workplaces in need of drainage.
- Solid and holed version can be used together in one installation.
- Ramped edges prevent trips and are available in black or yellow.
- Easily cleaned with a jet washer or hose.
- Slip tested to DIN 51130

Parts

Part Number	Size	Colour	Weight
