

# CYBERFLOOR

## INTELLIGENT ACCESS FLOORING

*This Document is your Proof of Warranty Protection*

CyberFloor is warranted against defects in materials and manufacturing workmanship for a period of FIVE years when installed under the prescribed methods.

Project:

Project completion date:

Expiry date of warranty:

### *Use and Maintenance:*

- When moving large objects across the floor, spreader plates of some sort should be used to spread the weight of the objects being moved.
- The CyberFloor product is manufactured out of plastic, therefore, different chemicals might affect the product.
- A Dry form of cleaning should be used as water will leak underneath the floor and possibly effect the wiring.
