## AMPIO

1200MM WALL-HUNG CABINET  
WITH TWO ACRYLIC BASINS

FINISH: HIGH-GLOSS WHITE

### FEATURES:

- MDF (SupaWood) has a consistent and smooth surface. It is stable and durable, and it is less prone to warping or cracking (compared to solid wood), thus providing longevity of use. MDF is also less susceptible to insect infestations (a common problem in damp and humid bathrooms)
- Acrylic basins are robust, durable, and non-porous, making them stain and dirt resistant, as well as easy to clean
- The front nickel-plated steel hinges are corrosion & rust resistant
- Ideal for homes and hospitality suites
