

# Matco steps into Group Five's new head office.

Matco, South Africa's leading manufacturer and producer of entrance matting, is pleased to announce the completion of its collaboration with Group Five Building (PTY) Ltd. Matco was tasked with selecting and fitting entrance matting for Group Five's new head office in Waterfall Business Estate.

Now Group Five has elegant, custom-fitted entrance matting that also boasts unrivalled functionality – ensuring the foyers of their new building remain clean. They will also save on cleaning costs due to the superiority of the exclusive Trio Scraper entrance mats which Matco fitted.
