

Express Collection Jan 2024

Express Collection

The best of products and service for you

The new collection welcomes a fresh look at the latest trends and styles for interior design.

A palette of unique colours to enhance the character of each space. Intense black and delicate white marbles, cements, stones and oxydes to inspire timeless designs and unique interiors.

The harmony and comfort of the new woodgrains make any space inviting and welcoming.

The new **SILK** laminates anti-fingerprint with an elegant and warm to touch surface with unique features.

Environmentally friendly fibers for the future

From the Jute, to Linen and Cotton, a complete range of natural fabrics and leather for bold projects.

Tradition and modernity are combined, to create comfort and personalized style solutions.

Service: made to order

ANTIVIRAL

A Safer and Cleaner environmental built to last

The product shows a high viral inactivity rate against the virus SARS-CoV-2.

Is ideally suited for public spaces in a variety of applications including furniture, interior fittings and construction for the sectors of hospital and healthcare, education, hotels and restaurants, office, shops, sports, transportation and much more.
