Varilux

THE MATERIAL

SHEERWEAVE 4500 - INTERNAL

Protect your interior from damaging UV rays with this sun control fabric.

Not only does this material contribute to reduced cooling and energy costs while delivering a refined finish to any space, it can also maximize daylighting benefits allowing for excellent outward visibility

ANTIMICROBIAL PROTECTION

The ability to disinfect and keep fabrics clean is crucial for the health and wellness of every home and office, working continuously to inhibit the growth of bacteria, mold and mildew that can cause stains, odors and product deterioration.

ENERGY EFFICIENT & SUSTAINABLE

Our fabrics qualify for LEED certified project points and include a host of sustainable and energy efficient features and certifications including DOW ECOLIBRIUM™ Bio-Based Plasticizers, GREENGUARD certification and Cradle to Cradle Certified™ Bronze.

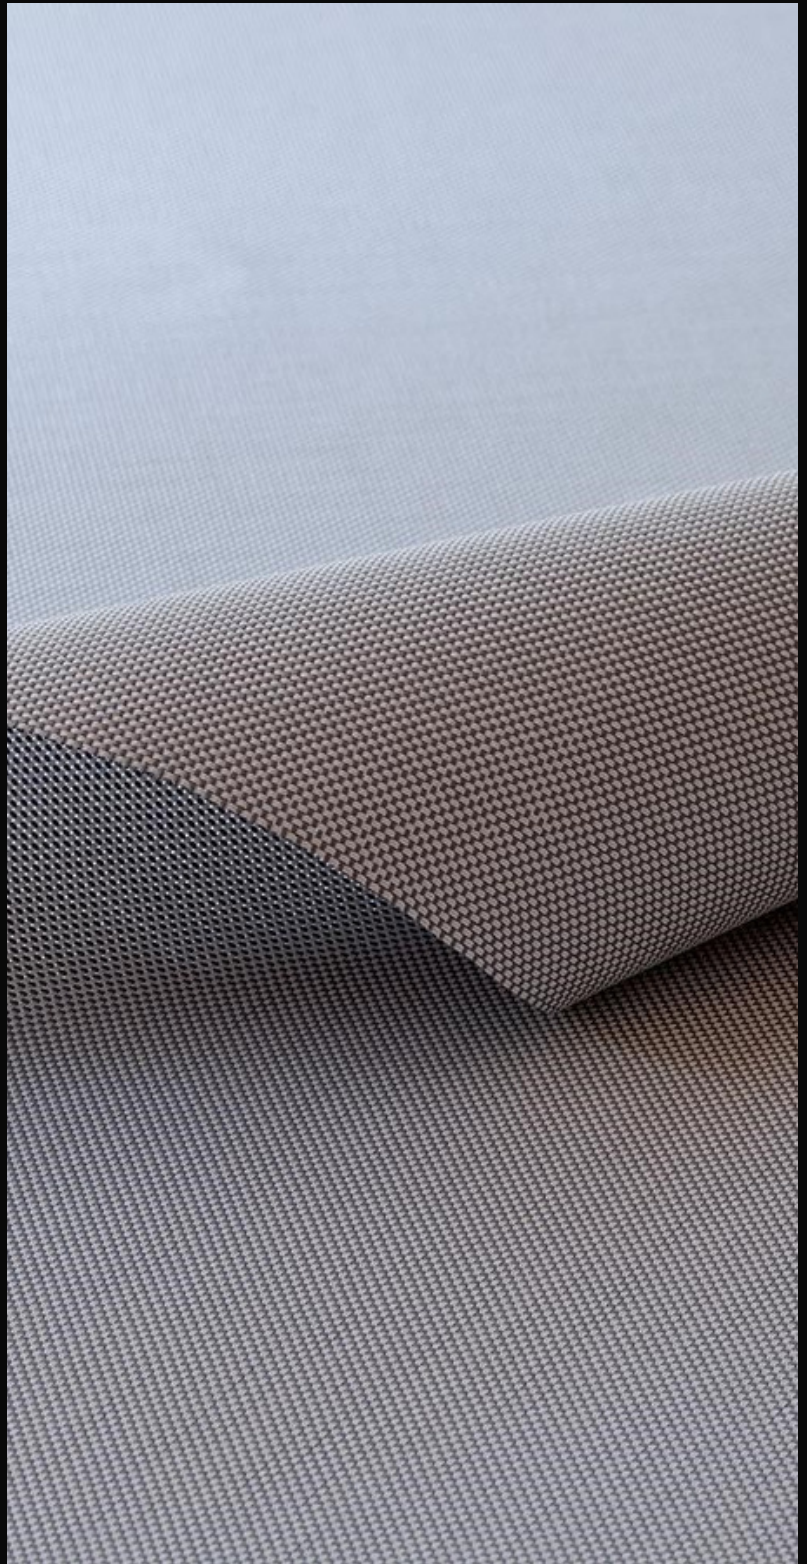

QUALITY GUARANTEED

DURABLE & RELIABLE

Our confidence in our products is backed by a 5-year internal limited warranty.

SAFE FOR YOUR HOME

SheerWeave® fabrics are lead free, meet rigorous flame certification standards and have earned the Safe Use designation (provides assurance that products comply with the most stringent standards for chemical content in the world).
